

Guiding questions for the pitch video about White Rhinoceros

Create a pitch video along the lines of the guiding questions listed below. Try to design the video in both German and English. If possible, add terms from other languages as well.

- Name the **taxonomic classification** of the white rhinoceros (family, order, class and phylum). Also give the **names of the other rhinos**.
- Name the **subspecies** of the white rhinoceros.
- Give the **countries** where the white rhino occurs.
- Name and define the white rhinoceros' **habitat**.
- Describe the **diet** of the white rhinoceros.
- Give the **size** and the **weight** of the white rhinoceros.
- Explain the **behavior** of white rhinos.
- Cite the **status of endangerment** of the white rhinoceros.
- List and explain the factors contributing to the **endangerment** of the white rhinoceros.
- Explain the **measures** taken to protect the white rhinoceros.

Some information as starting points can be found here:
